## BWP is Recognized as a **National Leader** in Electric Reliability

For Burbank Homes and Businesses, electric reliability is the name of the game. At BWP, our aim is to keep you in the game with smooth-flowing power that is affordable and you can depend on when you flip the switch.

The City of Burbank Water and Power has earned a Reliable Public Power Provider (RP3)® Diamond designation, the highest designation possible from the American Public Power Association for providing reliable and safe electric service.

## LIBRARY EVENTS

### BConnectED Now Includes All BUSD Middle School Students

BConnectED is a joint initiative between the Burbank Public Library and the Burbank Unified School District that allows students to use their school identification cards to check out materials or access online resources at any Burbank Public Library. The 2017 pilot program included all sixth grade students, and this school year it will expand to include everyone in sixth, seventh, and eighth grade.

Not only will students be able to check out books, but they will also have the ability to download ebooks and audio books. They can take advantage of additional online resources such as Testing & Education Reference Center (TERC) which provides exam help for students of all levels, and Mango, a free language learning app.

To find more BConnectED information visit
